GOSPEL REFLECTION

The disciples were sent ahead of Jesus in the Gospel to prepare the way, for Jesus tells them that the harvest is plenty but the labourers are few. He warns the disciples as well that the work of evangelization will not be easy, and that they will be like sheep among wolves, facing many challenges and obstacles along the way. The Lord calls us as he did the disciples to go and work in the harvest, and to build up the kingdom of God through the sharing of our time and talent.

IT'S SUMMER

While things do slow down in our parish during the summer months, this is also a great opportunity for all of us to think of how we might be more involved in the life of our community. Perhaps God is calling you to be a lector or Eucharistic Minister. Perhaps you might want to be an usher or altar server. Maybe you would like to sing in the choir. We very much need people to be catechists or leaders for the children's liturgy. We could use more funeral servers too! We also have active groups for both men and women who gather to grow in faith, to do works of service and to build community life. There are so many wonderful opportunities for people to be more involved, so spend some time reflecting on how you can contribute your time and talent for the good of our parish.
